All the legal assistance your business needs...

Business Setup

- Company incorporation and trust setup
- Initial business documents drafted (e.g. shareholders agreement, website policies and employment contracts)

Day-to-Day Operations

- Unlimited advice consultations to get all your legal questions answered
- Drafting of all customer, supplier and employment contracts
- Registration of domestic trade marks (excl. government registration fees)
- Reviews of all business contracts and commercial leases with written advice
- Employment law and HR compliance advice
- Library of legal templates and business resources from our member platform

... at a price you can afford

Some traditional law firms charge more than \$600/hour for a consultation.

Instead of paying a lawyer expensive hourly rates, you pay an affordable monthly fee and get access to an experienced legal team who can help you solve any business legal issue.

Our membership delivers real value for our members, so you'll never need to worry about legal bills again.

Prioritised turnaround times, so we won't hold your business up

Friendly and experienced legal team at your fingertips

Easy direct debit monthly in arrears billing for ease of cashflow

Members-only web portal to download documents and make bookings

What is included in my LV Essentials membership?

The LV Essentials membership includes unlimited advice consultations and drafting and reviewing business as usual contracts in the included legal areas. Business as usual contracts include customer/client contracts, supplier contracts, corporate governance documents and employment/contractor agreements.

The membership also includes domestic trade mark advice and applications, business structuring assistance (including company and trust setup), and employment and workplace support.

What is not included in the LV Essentials membership?

From time to time, you may need assistance with areas that fall outside the LV Essentials membership or LegalVision expertise. Areas excluded include disputes support, construction, loans and securities, international trade marks, immigration support, work health and safety, employee option plans, franchising, regulatory support, tax, capital raising, business sale / purchase agreements, and negotiations.

If the assistance you require is not included in your LV Essentials membership, we will let you know your options (which may include upgrading to our LV Pro membership, assistance on a fixed-fee or hourly rate basis, or the assistance you require is outside of LegalVision's expertise).

Note: Any disbursements and government fees (including for trade mark applications) will incur an additional cost. All project and membership pricing excludes GST. Membership pricing varies depending on the size/type of business. Minimum 12-month commitment.
